Please return to: ETAS Support Team, BCMS, Curwen Road, Workington, CA14 2DD

The Data Protection Act 1998

Any personal data supplied on this form may be used by us to contact you in connection with the details provided. The information supplied will be used to establish whether an ear tag used for official cattle, sheep and goat identification purposes is causing unnecessary animal welfare problems. An ear tag may be removed from the market based on the evidence received. To pursue the notification we may need to disclose the information we receive from you to others, including ear tag suppliers. Information (including personal data) may also be released on request, including under the Environmental Information Regulations, the Code of Practice on Access to Government Information and the Freedom of Information Act 2000. Defra or its appointed agents may contact you in connection with occasional customer research aimed at improving the services that Defra provided to you.
